

The Perry BULLETIN BOARD

Vol. 38, No. 4

4th Edition, 2023

From the desk of...

Happy New Year! Second mildest December on record sure helps with road salt usage. Let's not get too comfortable with the mild temps as it is still winter in Northeast Ohio.

The new year brings a handful of changes to the **Township Elected official arena**. **Rick Amos**, long-time Township Trustee has decided to "retire" from over thirty-four years of elected public service. Christine J. Page, past Fiscal Officer for nearly thirty years, will now be shifting her responsibilities to that of Township Trustee. Stephanie Parker will now be serving as the Township Fiscal Officer. We will miss Rick and wish him the best in his future endeavors. We also looking forward to welcoming Chris Page in her new role and Stephanie Parker as Fiscal Officer.

The **Hometown Hero Banner program** is open once again. Applications are due by January 31st to the Perry Admin. Office. All information and applications can be found on our website at www.perrytownship-lake.com. If you have any questions, please contact the Township Office. These banners will be added to our current program and will be installed by Memorial Day.

Just a reminder that we have a **"Flag Mailbox"** located in the south driveway of the Township Admin. Parking lot. The mailbox is painted red, white and blue. Residents may place their torn or tattered flags in this box. The American Legion holds appropriate retirement/flag burning ceremonies for these tattered flags once or twice a year.

2024 is planned to be the next **"year of paving"**. As we finalize appropriations, we are planning to set aside an additional \$400,000 for street resurfacing. All of our paving projects are prioritized based on the Township's pavement analysis performed by an independent engineer. This year we are looking to pave Maple Street (Route 84 to Village line), Red Oak Drive and White Oak Court.

It is anticipated in 2024 that the Zoning Commission will initiate the process for reviewing and updating the Township's Comprehensive Zoning Plan. This process does not assume that there will be any changes to the plan, but it is good practice to review it.

We are pleased to announce that we will holding another **Shred-it** event this Fall. The event is scheduled for **Saturday, October 26th from 9:00 am - Noon**. This is the perfect time to go through all of your papers and start filling some bags to shred that include personal information. All shredding is done onsite.

From time to time, Perry Township has opportunities for residents to serve on different boards. The openings are generally residents of the Township that are appointed by the Board of Trustees. Some of the Boards included are the Perry Area Joint Recreation Board, the Zoning Commission, Perry Economic Development Council, Board of Zoning Appeals and the Perry Fall Festival. If you would be interested in serving on a Board in the future, please send a letter of interest to the attention of the Perry Township Administrator. We will keep it on file for when such an opening exists.

Just a friendly reminder, please don't park in the streets or especially the cul-de-sacs during winter snow events. Vehicles parked in these areas make it difficult for the plows to clean the road properly. Have a warm and safe winter season.

HAPPY
New Year

Karen Sundy, Administrator

2024 PERRY AREA HOMETOWN HEROES

BANNER PROGRAM APPLICATION

ORDER DEADLINE JANUARY 31, 2024

Please print clearly

Veteran name : _____ Service: _____

Rank: _____ Service date: _____

Name of applicant: _____ Relationship to applicant: _____

Address: _____ Phone number: _____

Email address: _____ Alt phone number: _____

Sponsors name: _____

Additional info: _____

Please enclose photo or send digital photos (should be JPEG or PNG format). Photo will be returned to applicant when banner is completed. Email address: hometownheroes@perrytownship-lake.com. For photos, print name and phone number on back of picture.

Method of payment: Check, made out to **Perry Township** or cash. Please do not send cash in the mail. **No credit or debit cards**. Cost of banner, hardware and installation is \$215.00. (Life expectancy of banner is approximately 3 years)

I hereby grant Perry Area Hometown Hero Program permission to use the provided photo to have banners fabricated and take full responsibility that all information is correct and accurate.

Signature: _____ Date: _____

Banners will be stored at the veterans entity between Veterans Day and Memorial Day. The applicant is the owner of the banner and when it is retired, returns to the applicant.

Please drop off or mail in application, photo and payment (no cash in mail) Monday thru Friday 8:00 am-5:00 pm.

PERRY HISTORICAL SOCIETY

It has been a very busy fall season here at the museum. The third grade class again visited to learn all about our Perry history, and what the early schools looked like. Some of the buildings still stand today as residential homes. The society sponsored a Halloween event with speaker Tonya Busic from the Lake County History Center presenting 'Eerie and Odd Legends'. The program also included some local ghost stories. The museum again participated in the 'Trunk or Treat' day for the children as well. There always seems to be magic in the air at this time of year.

The society held it's annual Christmas open house on Saturday, December 9th. The visitors enjoyed live music by Brian Dorr and Ben Soriano, and our own Don Densmore on the accordion. Santa made an early stop to the museum to the delight of the children. They whispered to Santa what they were hoping for at Christmas.

We have been collaborating with Tom Anderson and the American Legion regarding the MIA Memorial which will be located at the corner of Main Street and Center Road. Our members have been working diligently behind the scenes at the museum to review and reorganize old documents and papers. I was looking though some old newsletters and came across the following article that caught my eye.

The giant North Perry Oak Tree

By John Hise - 2002

Four hundred years ago, Ohio was covered with ancient hardwood forests. The early pioneers cleared the forests so they could farm the land. Virgin forest is almost extinct in Ohio, and is only found in a few isolated pockets. Discovering a few ancient trees in North Perry was a pleasurable discovery for Joyce Phillips, Mr. Meyers, Marylyn Hise, and I. The owner of the isolated pocket of ancient trees contacted Joyce Phillips in order to explore property and determine if the old trees still existed. The four of us went trudging into the isolated pocket of woods with a tape measure and digital camera to find the mighty black oak tree!

Four feet above the ground, we measured the circumference of the Oak Tree. The gargantuan tree measured 12 feet in circumference. Mr. Meyers documented the tree with numerous digital photographs. The tree's age was calculated by multiplying the circumference times an arborist calculation number for oak trees. The massive and healthy oak tree is a survivor from North Perry's virgin forest. The ancient tree is at least 600 years old!

Discovering such a rare specimen of history in Perry was an exciting experience of living history. We hope the living legend is preserved for future generations to enjoy.

After a few inquiries of my own, it is believed those mighty oak trees were victim to Lake Erie erosion.

Linda Barrett , Curator

Perry Historical Museum

3885 Main Street

Museum Hours

Saturdays 12:00 - 3:00pm
Workroom and Archive Hours are by appointment only

AMERICAN LEGION

Missing in Action (MIA) Memorial

The Perry American Legion continues planning and fundraising for the MIA Memorial. The MIA monument is finished and ready for installation. It's currently sitting outside at Jim Belding Monuments on Route 20 in Madison. We appreciate their support and that provided by the **American Legion, American Veterans (AMVETS), Veterans of Foreign Wars (VFW) and their Auxiliaries, and Perry Township, X Press Printing Services and local individual Donors.** We need your support to build this Memorial. Updated information is available on the Township website at: www.perrytownship-lake.com (under Announcements). You can also stop by the Perry Township Office at 3740 Center Road to pick up the new flyer.

We currently have four Veteran Memorials in Perry - only a few of our residents know who they honor and where they are located. Our Perry MIA Memorial will be located outside the Perry Historical Museum. It is going to be an eye-catching Memorial and you have the unique opportunity to join us in funding its construction. We are asking businesses, organizations, groups and individuals to consider sponsoring a black granite service panel, a black granite bench, an 8X16" long black granite marker, a clay paver brick for an MIA or a Veteran, or to make a monetary donation. As a keepsake for honoring an MIA, you will receive a set of "dog tags" embossed with the MIA's information. Details are available at the Township website referenced above.

For additional information, contact us by email at: perryalpost697@gmail.com, or mail questions to American Legion, Perry Post 697, P.O. Box 215, Perry, Ohio 44081, or call or text Tom Anderson at 330-352-5378 or Mark Woltman at 440-417-2011.

This will be a powerful Memorial to honor, remember and thank these brave young Heroes! We cannot do this without your support.

Tom Anderson
Perry American Legion

PERRY JOINT FIRE DISTRICT

I hope everyone had a wonderful holiday. It's hard to believe 2023 has come to a close. If you have a fire hydrant on your property, please remember to keep it clear when the snow hits. We want to be able to help you if a fire should occur. We have been very fortunate to have mild weather thus far. I would like to congratulate the Perry Pirates 2023 Football Team, Coaches and Staff for bringing home the State Championship. The season was nothing short of phenomenal. Congratulations again to the hard work and dedication displayed by everyone. It was wonderful to see our community come together to welcome them home. As always, if you have any questions or concerns, I can be reached at 440-259-2880 Monday through Friday from 7:30 a.m. until 4:30 p.m. or dchiappone@perryfire.info.

Chief Dominic Chiappone

Let's put a FREEZE on Winter Fires

Home fires occur more in winter than any other season. As you stay cozy and warm this winter, **BE FIRE SMART!** Did you know that half of all home heating fires occur in December, January, and February? Did you know that 1 in every 7 home fires and 1 in every 5 home fire deaths involves heating equipment?

Here are some simple solutions to stay fire safe this winter season.

1) Keep anything that can burn **AT LEAST** 3 feet from any heat source i.e. fireplaces, wood/pellet burning stoves, radiators or **SPACE** heaters.

2) If you do have a fireplace or wood/pellet stove, after you clean it out, store the cooled ashes in a tightly covered **METAL** container and keep it outside at least 10 feet away from your home or any nearby buildings.

3) For your fireplace or wood/pellet stove, you should have a qualified professional clean and inspect your chimney at the start of the season. Did you know that the chimney sweeping industry is unregulated and as such, there is no legal requirement for a chimney sweep to do training or join a trade body? The National Chimney Sweep Guild (NCSG), manages 3 industry-leading chimney sweep credentials: Certified Chimney Professional (CCP), Certified Chimney Reliner (CCR), and Certified Chimney Journeyman (CCJ). These knowledge-based exams were developed directly with NCSG member businesses and input of nearly 600 U.S. Chimney professionals.

4) If you are using an electric space heater, always plug it into a wall outlet and never into an extension cord or power strip. Appliances that draw large amounts of electricity should never share an outlet.

5) Keep portable generators outside away from windows/doors, even a closed window/door could allow C.O. to seep into your house and never run a generator in your garage. It's best to keep your running generator at least 10 feet from your house.

6) Speaking of C.O. (Carbon Monoxide). Did you know that C.O. is a colorless and odorless gas? And did you know that at just 35 p.p.m. after 8 hours you will start to develop signs and symptoms of C.O. poisoning? This is why for the safety of your family, we recommend that you install a carbon monoxide alarm and test it at least once a month. Keep these simple solutions in mind for a safe and warm winter.

Captain Timothy B. Sitz

PERRY TOWNSHIP ZONING

As we kick off 2024, a quick look back to 2023 seems appropriate. The zoning department remained active with new business inquiries, new homes and many fences, pools and accessory structures. Expansion, additions and new neighbors and businesses is exciting. Happily, more time was spent in 2023 working with these issues and less time working on complaints and zoning violations. This speaks volumes as to the neighbors and community we live in. When we work together and care for our properties and communities, everyone benefits. It is the one thing that truly makes Perry Township unique and special.

Looking ahead to 2024, we have several projects and objectives for Zoning. We are currently reviewing the current Zoning Resolution to make any necessary changes. This is done along with the Zoning Commission Board to assure that the zoning is in the best interest of the entire community and within the Township Comprehensive Plan. It is important to do these reviews and updates as various technologies, industries, laws and legislation change. It is always better to be proactive than reactive to these changes and address them within the Zoning Code. We also work with the County and State as needed, so we understand their part and are clear on each entity's responsibilities.

Lastly, on a personal note, I am proud to be part of the Perry Township staff. Coming up on 2 years of being in this position, I can assure everyone, that the Township is entirely about the community. I have worked with the Administration, the Trustees, the various Boards and the various Departments, and everyone always tries to do what is best for the Township and assist the businesses and residents in this community. We are often bombarded by negativity and turmoil both Nationally and Worldwide and can easily be discouraged. However, communities such as ours show that with egos aside and with people working together, we can make our community a great place to live and work.

I wish everyone a Happy and Prosperous 2024!

Pat Freeman
Perry Township Zoning

PERRY CEMETERY

Winter in the cemetery can be tricky. Drifting happens quickly and can make navigating the drives a challenge. Waiting until the Service Department has a chance to clear the drives is always the best bet. The other big challenge is the wind. Please make sure to really anchor any items you place at the graves to help make sure they stay where you place them.

We will not be pouring foundations again until next May; we anticipate a cutoff date of April 26, 2024 for the May foundations so there's plenty of time to make arrangements with your monument companies.

We wish you a Happy 2024! If you have cemetery questions or if there's anything I can help you with, please don't hesitate to call me at 440-417-2010. I'm happy to help if I can.

Michele Woltman
Sexton

THE PERRY CENTER (Food Pantry)

THANK YOU! THANK YOU! THANK YOU!

We are most grateful for our very generous community. These eight churches: Bridge, Faith Baptist, First Baptist, New Life, North Star, Perry Christian, Perry United Methodist, and St. Cyprian, support us year-round with soap products, paper products, food items and monetary donations. They support our special projects of Easter Baskets with candy and for our Christmas program, they provide a food item for the food boxes. These churches also provide the volunteers to ring bells for the Red Kettle Campaign for Salvation Army. The money raised is used to assist our clients with rent and utility bills.

Other great supporters include school groups, community groups, area businesses and individuals who all contribute their time, talent, and treasures - all of which help us to do what we do at The Perry Center. Special thanks to Perry Schools Maintenance Department, Rideout's IGA, and West Orchards and Farm Market for their year-round support.

Of course, our **volunteers** top our "**Gratitude List**". The Perry Center is staffed only with volunteers. We have more than 40 regular volunteers and about 50 more for special events. This Christmas, we had 41 volunteers devote 184 hours of their time packing the food boxes and then helping distribute them and the Christmas gifts to our clients.

Christmas, this year, was full of surprises. We had an anonymous supporter donate enough money so that we could provide a ham for each family and a gift card for every adult. We also worked with Brody Hicks, a sophomore at Perry High School, who owns and operates Upcycle Cycles. Brody provided refurbished bicycles and helmets for sixty-four (64) of our clients' children.

This year, we had 100 families apply for Christmas assistance, consisting of 233 adults and 159 children. Of the 159 children, 116 were "adopted" by 32 organizations, and/or individuals, 16 participated in the Sheetz program, and 27 were helped by The Perry Center.

After our Christmas distribution, we received donations of toys from the Lake County Nursery Growers and toys and 13 bicycles from Hell's Angels Lake East. So...if you **need a birthday gift** for your children, give us a call.

REMINDER: If you need assistance and you live, work, or worship in Perry, we can help you with food, rent assistance (with an eviction notice) and/or utilities (with a disconnect notice). Please contact us by phone at 440/259-3332 or by email at perrycenter@outlook.com. Our mailing address is PO Box 446, Perry, OH 44081.

**We are open for clients on Tuesdays from 9:00 am to 12:00 noon and on
Fridays from 1:00 to 4:00 pm.
Other times by appointment**

FROM ALL OF US AT THE PERRY CENTER, HAVE A VERY HAPPY AND PEACEFUL NEW YEAR!

**Submitted by
Carole Martin**

THRIVING THREADS

Well it has been a most bountiful year for donations of clothing. We would like to express our gratitude to the community. This past year we gave out 40,018 pieces of clothing and served over 6,358 people.

We are most grateful for the generous donations and can accept anything that can be worn - clothing, shoes, hats, coats and even jewelry. Unfortunately, we have to dispose of any items other than clothing. If you have any used sportswear or equipment, we will take that as well for families that can't afford them. We will have equipment available for when the sport is in season. Everything is free, with no residency or income requirements. We welcome **EVERYONE** - no matter where you live.

Our address is 4261 Manchester Rd, Perry, OH 44081. We are located in the back of the building across from the Perry Elementary School. We have a big wooden structure to donate clothing 24/7. Or you can bring them into our store during our business hours (**Tuesday 9-12**) and (**Friday 1-4**). If these times are not convenient for you, please contact Thrivingthreadsinperry@gmail.com and we will do our best to make an appointment for you that will work with your schedule (we work on volunteer availability).

Follow us on Facebook, Instagram, or even Google Maps for special openings.

Samantha Ferrell
Director of Thriving Threads

NORTH PERRY VILLAGE

This month, I officially take over as mayor of North Perry and I look forward to serving our residents. Moving forward, I want to continue to support Council and residents in as many ways as I can. Running unopposed in the previous election provides me with a mandate to continue with my policies, but I will continue to take into consideration everyone's needs. We live in an amazing community, with a good council, great employees, passionate residents, and unmatched amenities. I respect everyone's views and opinions and look forward to leading North Perry for the next four years.

Mayor Brian Titus

You can see the North Perry Village Newsletter posted every other month at:
www.northperry.org/documents

North Perry Council upcoming meeting dates

February 1st, March 7th, April 4th, May 2nd

THE PERRY WOMEN'S LEAGUE

Thanks to the generosity of the Perry community, we hosted two very successful fundraising events in 2023. Once again, we were fortunate to pre-sell all the tickets to our annual Bunny Lunch that was held in April and in September brought back our ever-popular Daisy Drop to the Perry Fall Festival. Between the money raised from ticket and raffle sales and the Chinese auction at the Bunny Lunch, the PWL was able to continue to support our community projects. We were fortunate to again be able to award two \$500 scholarships this past May to Isabelle McKoon and Emma Pietrzak, two of many deserving high school seniors, who exemplified service to our community. As part of the PWL's motto of giving back to the community, we adopted 10 children from the Perry Center and our members shopped for Christmas presents. Christmas is always about giving and the PWL would like to give you our sincere thanks for supporting us in 2023. Whether you are someone who attends our annual Bunny Lunch, purchased a raffle/sideboard ticket for the Daisy Drop or a local business that donates items to help with fundraising, you all have a hand in our ability to serve others. Thank you for your continued support each year!

PWL members had the opportunity to assist the Perry Service-Learning Class with the clean-up of three Perry Senior Citizen homes in late April during the annual Community Green Day event.

Mark your calendar for our Bunny Lunch event that is set for Saturday, March 23, 2024! Tickets will be available in early March! Keep your eyes open for additional details.

The PWL board wants to sincerely thank our newest and long-standing members for their dedication to giving back to our community! We welcome anyone who is looking for a way to support our community to join us. Contact us to learn more or stop by one of our meetings, held quarterly on the first Thursday in January, April, July, and October at 7 p.m. at the Perry Public Library. Our first meeting of 2024 is scheduled for January 11th.

Please visit us on our website: www.perry-lake.org/PerryWomensLeague.aspx or follow us on Facebook (Perry Women's League). You can also write/email perrywomensleague@hotmail.com. Again, thank you to all who have so generously supported us. On behalf of the Perry Women's League, we wish you a healthy and prosperous New Year.

Carrie Scales

PERRY VILLAGE

I hope everybody enjoyed their time with family and friends over the Holidays. I wish everyone a happy and healthy new year. I would like to wish Phil Cassella good luck on retirement from Perry Village Council. Santa at Lee Lydic Park went very well, had some good feedback from the residents. I hope we can get a break this year from the rain at our park events. We are planning to expand the dog park this year for smaller dogs. It is in the preliminary stages of planning right now. Secondly we are applying for some grants for the road surfacing projects on Green and Main. We should have some more info sometime in July. Also we are still planning on finishing 2nd phase of storm sewer replacement on Thompson.

Jim Gessic
Perry Village Mayor

STORMWATER

Even with all of the contamination threats to stormwater, it **CAN** be protected by people just like **YOU**. Here are a few ideas to get you started.

Investigate your home for products (paints, cleaners, etc.) that could contaminate the water if they were poured down the drain or dumped on the ground outside. Mark all these containers as dangerous so family members will be aware to use these products wisely, or set them aside for donations at the next hazardous waste collection day.

Tell others about how hazardous products can contaminate stormwater when thrown into the trash. Instead of pouring chemicals down the drain, use them up so there is only a container remaining. Recycle the container if possible.

Begin using environmentally friendly products instead of hazardous ones. Visit your local library, bookstore or online to find recipes for homemade cleaners using harmless ingredients like vinegar and baking soda.

Participate in the next hazardous waste collection day. There are two special event Hazardous Waste Collections held at the Lake County Fairgrounds this year.

Household Hazardous Waste June 1st and September 21st 2024
Both events are held on Saturdays and the collections run from 8:00 am to 2:00 pm.

These events allow community members to bring in their old paint, motor oil, harmful chemicals, and other materials and have them disposed of properly. Assist in promoting the event by volunteering to stuff mailers or post signs. For more information contact the Lake County Solid Waste District at 440-350-2645 or www.lakecountyohio.gov/utilities/

Design a series of posters to hang in your community that display educational messages about storm water education day.

Remember, every little thing you do **DOES** make a difference!

PERRY SENIOR CENTER

~ Life is Beautiful~

2024 is here. Are you ready!?! The Perry Senior Center has a full fitness room and exercise classes for the chair bound as well as the fully mobile senior. We offer massage, podiatry, health screenings, educational lectures, and socialization to beat the winter blues. Membership runs from January through December and is open to those 55 years of age or older. Cost is \$12.00 annually. It is never too late to prioritize your health and make 2024 your best health year ever.

Center Hours

Monday 8:30am-3:30pm
Monday Evening 6:00pm-9:00pm
Tuesday 8:30am-3:30pm
Wednesday 8:30am-3:30pm
Thursday 8:30am-1:00pm
Friday 8:30 - 3:30pm

Zumba Gold

Monday Evenings at 6:30pm
Open to anyone over eighteen

You do not need to become a member to join this class.

Cost is \$5.00 per class for non-members and FREE for members.

This class is a low impact dance party designed to work cardio, balance, flexibility, and strength with a Latin flare.

Square Dancing

Tuesday Evenings at 6:30pm
Cost \$3 per class.

Learn to Circle Left, Do Si So, and Promenade. Step by step instruction.

Unforgettable Catastrophes

Wednesday, January 17 at 11:45am

Tonya Busic from the Lake County Historical Society will be here to discuss the tragedies in Lake County caused by trains, planes, automobiles and more.

We are once again partnering with Lifeline, Inc. to offer **Volunteer Income Tax Assistance** for the 2023 tax season. Please call the Senior Center at 440-259-3772 to make an appointment. This is a no cost program for those that qualify.

TRAVEL ADVENTURES AT A GLANCE EXTENDED

Branson Show Extravaganza Biltmore Estate & Asheville Iceland & Greenland Cruise
Mount Rushmore, Badlands & Black Hills of South Dakota Vermont

Seats are limited - Registration and deposits are required to reserve your spot. Early registration is critical to ensure that no trips are cancelled.

For pricing or more information on any of the above events or trips, call the Perry Senior Center at 440-259-3772 or visit our website at www.perryseniorcenter.net

**Christine Znidarsic
Senior Center Director**

PERRY PUBLIC LIBRARY

In preparation for the solar eclipse on April 8th, Perry Public Library has eclipse bags containing four pairs of eclipse glasses and a variety of information and activities for the whole family. These bags are available for purchase at

the library for \$10. Stop in and get some while supplies last.

Looking to save money? Look no further than Joe the Coupon Guy. On January 22nd he will be at the library to show us how to save money at grocery stores, restaurants, utilities and much more. We are also hosting a puzzle competition on February 10th where patrons work in teams of two to complete a 500 piece puzzle in three hours. The team that finishes first, or is the closest to finishing, will win a prize!

Last summer we had Barbenheimer; this spring we have the History of Barbie presented by Katherine Kerestman on April 3rd. The presentation is based on her publication in *Retro-Fan Magazine* titled "Barbie Takes America – and the World."

We also have two local author visits scheduled. Jennifer Boresz Engelking will be at Perry Public Library on April 1st to discuss her latest book *Lost Lake Erie*. And on March 19th, Perry High School alum, Angela Baldree will be here to discuss her debut historical novel *Your Brother*.

One Friday each month we are hosting a Tech After School Drop for kids in grades 1-4. Starting at 4:30 pm, kids can stop in after school to experiment with a fun tech toy. And if adults need tech help, we have forms to fill out to request a 30-minute one-on-one appointment with a member of our reference staff.
