

The Perry BULLETIN BOARD

Vol. 37, No. 2

2nd Edition, 2025

From the desk of...

The Summer Concert Series has kicked off and will run every Wednesday from 7:00 pm - 9:00 pm through August 20th. The Trustees are thankful every year to our sponsors. The sponsors enable the Township to provide these concerts at no cost to the Township or attendees. Please patronize these businesses. This years sponsors include: **CS Packaging, Prestige Carpet & Flooring, LLC, Townsend Machine, E. Dake Plumbing & Heating, LTD, My Family Dentist, North Ridge Mini Storage, Pacheco Cement, Inc., Painesville Credit Union, Pollutro Rossley Insurance Agency, Waste Management, Xpress Printing Services, Costa Oil and Great Day Child Care Learning Center.** Break by the Lake is open for concessions during the concerts. Plan to come down. Bring a blanket or lawn chair and enjoy the music and the view!!

The Township Paving program for this year will include **Laurel Drive and Shepard Road**. The project has been delayed multiple times due to plant breakdowns and weather conditions. The section of Shepard Road that will be completed is from the railroad tracks to US Route 84. Traffic will be maintained on both of these routes during construction. This area will be done similarly to the previous paving on Shepard with widening the road on each side as well as drainage improvements near SR 84.

Lake County Engineer, Alan L. Exley, PE, PS has announced that the **Blair Road Retaining Wall Replacement** project is set to begin on Monday, July 14th requiring all traffic to follow the posted detour. The section of wall to be replaced is located approximately 0.5 miles south of River Road and just west of Blair Landing Park. Weather permitting, Blair Road will be closed July 14th with project completion scheduled for October 17, 2025. The project was awarded to Alan Stone Co. Of Vincent, Ohio. The work covered by the plans and specifications includes replacement of approximately 400 ft of retaining wall and replacement of adjacent pavement, guardrail and drainage.

The past **Shred-it** events have been a great success. We are pleased to announce that we are hosting another event on **Saturday, October 18, 2025 from 9:00 - noon**. This is the perfect time to go through all of your papers that include personal information and start filling some bags to shred. The event is held at the Township Administration Office, 3740 Center Road. All the shredding is done on site.

Laketrans and the Lake County Board of Commissioners are partnering to provide Lake County senior citizens free Laketrans Dial-a-Ride transportation in Lake County. This new program is called **Seniors on the Go!** Dial-a-ride reservations must be in advance by calling Laketrans 1-12 days in advance or online with Laketrans's Request-a-Ride. Destinations include: Senior Centers, Grocery Stores, Beauty Salons, Fitness Centers, Food Pantries, Barber Shops, Parks, Pharmacies, Libraries and Farmers' Markets. To make a reservation, or for more information, please call 440-354-6100.

The Fall Festival Committee has been hard at work planning the upcoming **Perry Fall Festival**, scheduled for **Saturday, September 6th** at Lee Lydic Park in Perry Village. The schedule of events is filling up fast!! You can count on your yearly favorites such as the Inflatables/Kids Zone, hay and train rides, face painting, magician, the PHS marching band, vendors and of course our awesome Chinese Auction. The day will end with a great firework show. If you would like to set-up a booth and be a vendor at the Festival, please contact the Perry Township Admin. Office at 440-259-5140.

Karen Sundy, Administrator

AMERICAN LEGION

On Memorial Day, we honored two local heroes who made the ultimate sacrifice defending our great nation.

Sgt Eugene Pizzino II, United States Air Force graduated from Riverside High School and served as a Load Master aboard C-130 Hercules military transport aircraft. During a return flight from Vietnam on March 8th 1969, the C-130 he was aboard crashed in Taiwan due to poor weather. Although he survived the crash, he succumbed to his injuries on March 16th 1969. He was 21 years old. He was survived by his wife Mary Ellen (Meglan) Pizzino who graduated from Perry High School in 1965, and their two young daughters Wendy and Tracy. His oldest daughter Wendy (Pizzino) McPherson was present at the ceremony and laid a brick in honor of her father's enduring service.

World War II MIA Private Henry Kalinowski, United States Marine Corps graduated from Ashtabula High School in 1938 and served in the Marine Detachment aboard USS ARIZONA. At approximately 7:55 am on December 7th 1941, General Quarters was sounded and the crew and the embarked Marines raced to their battle stations. At about 8:05 am, Private Kalinowski was at his battle station as loader for one of the forward 8 inch casement gun batteries. At approximately 8:10 am, one of the Japanese armor-piercing bombs struck ARIZONA near forward gun mount number two detonating her forward ammunition magazines. Private Kalinowski was among the 1,177 ARIZONA crew members killed that day. Several family members were present for the ceremony and Henry's nephew, Bill Kalinowski laid a brick in honor of his uncle's enduring service.

We appreciate your continued support to complete the Memorial. We still need funds for landscaping, granite benches and an entrance monument. Please make donations payable to: "American Legion, Perry Post 697" and mail it to: American Legion, Perry Post 697, P.O. Box 215, Perry, Ohio 44081.

Brick Pavers: Please join us by memorializing or honoring an MIA or Veteran with a 4"x8" or 8"x8" laser-etched brick paver or an 8"x16" long engraved black granite marker. The 4"x8" brick pavers start at \$150. Please consider recognizing a parent, grandparent, sibling, son, daughter, neighbor, friend, or another Veteran. You are

encouraged to visit the Memorial and view the bricks honoring the service of our brave Veterans and MIAs. Additional information can be found on the Township, Village and North Perry Village websites. Brick Paver Order forms are available at the Perry Senior Center and at the Township and Village offices. Feel free to email: perryalpost697@gmail.com, or call or text Tom Anderson at 330-352-5378 or Mark Woltman at 440-417-2011. Thank you for your support.

ZONING

Summer is here and with it a new crop of pools, fences and sheds. As a reminder, a zoning permit is needed for these builds and installs. Please contact us and we will assist you in getting the correct information submitted. Also, our online Zoning Resolution is available to you at www.perrytownship-lake.com/zoning.

Also, we ask that homeowners maintain their yards with fresh grass cuts and elimination of garbage and junk in yards. Perry Township has a reputation for scenic semi-rural living and that is thanks to its residents who maintain their yards and neighborhoods.

The Township Zoning Commission Board and the Township Trustees are reviewing and updating the Township Comprehensive Plan. As part of that process, a survey will be conducted online for residents and businesses in the township. Participation is optional; however, we would like to get feedback from as many people as possible to capture what is most important to those of us living and working in the township. We hope to have that available in September.

Lastly, since garage/yard sale season is here, please remember:

- (1) Garage, yard and estate sales shall be permitted up to a maximum of four (4) such events per calendar year on any single lot.
- (2) The maximum duration of any garage, yard or estate sale shall be three (3) consecutive days during daylight hours only.
- (3) A zoning certificate shall not be required for a garage, yard or estate sale.
- (4) All displayed merchandise, tables, tents, signs and other paraphernalia associated with such sales shall be removed immediately upon completion of the event.

Pat Freeman, Zoning Inspector

PERRY CEMETERIES

A couple of reminders for you - our next foundation pour will be in August. One additional pour will take place in November - that will be the last for this year. Foundation fees have been raised to \$175 to offset increased cost of materials.

THANK YOU, once again, to the members of **Perry American Legion Post 697** and the **Perry Service Learning Students** for placing the flags at the graves of the veterans in our cemeteries. This is a big task - to date, we have nearly 1,100 veterans buried in Center Road & South Ridge cemeteries.

Burial information can be accessed through our website www.perrytownship-lake.com. There is a prompt for searching burial information on the Cemetery page of the website.

We'd like to encourage everyone to check the burial records for their loved ones. In many cases, we have little or no information on some of the burials, especially if an obituary was not printed. We always hope to have complete and accurate information and are grateful for any additional information you can provide. You can email the information to mwoltman@perrytownship-lake.com or call me on my cell phone.

If you have questions or concerns, please feel free to call the **Township office at 440-259-5140** or **my cell phone (440-417-2010)**. We're always happy to help if we can.

Michele Woltman, Sexton

NORTH PERRY VILLAGE

Celebrate 100 Years of North Perry!

Join us July 18-19, 2025 for our Centennial Celebration

Summer is here and so is a once-in-a-lifetime milestone! We're excited to invite you and your family to North Perry's Centennial Celebration. It's time to honor 100 years of community, connection and hometown pride.

Friday, July 18th: Centennial Kickoff Dinner

We're starting the celebration in style with a special 21 and over dinner at the Village Hall from 6:00pm-9:00pm. This event is for North Perry residents and their guests only.

Choose from:

- NY Strip Steak - \$18.00
- Grilled Chicken- \$15.00
- Both Entrees- \$23.00

All dinners include a salad, dinner roll, dessert, and your choice of one beverage (beer, wine, seltzer, or non-alcoholic). **Please note: This is a pre-sale event. No orders will be accepted at the door.**

Saturday, July 19: Community Fun All Day Long

8:00am- 5K fun Run/Walk & Pancake Breakfast

Start the day with some movement and a hearty breakfast!

- Race Entry-\$15, includes a commemorative T-shirt and breakfast ticket. Register in advance at www.northperry.org
- Day-of Registration begins at 7:00am at the Townline Park guard shack (includes breakfast only, no shirt)
- Breakfast Only- \$5, served 8:00am-11:00am at the North Perry Community Center. Includes sausage, orange juice, coffee and soda.

Noon- 9:00pm- Centennial Festival

The afternoon is packed with entertainment and activities for all ages:

- Games and attractions: Bounce houses, cornhole, and more!
- Live entertainment lineup:
 - DJ Dr. D - 12:00-6:00pm
 - Magician Joe Wilson - 1:00-3:00pm
 - Dunk Tank - 1:00pm-5:00pm
 - Dr. U.R. Awesome Bubble & Foam Show- 3:00pm
 - Crackerjack the Clown - 4:00pm
 - Vinyl Arcade (live band) 6:00pm-9:00pm (bring your lawn chairs)

Food, beer, and wine will be available for sale all day so come hungry and thirsty!

This celebration is open to everyone- friends, neighbors and visitors alike. Let's come together to celebrate North Perry's incredible journey and bright future.

THE PERRY CENTER (Food Pantry)

School has been out for only a few weeks, and we are already planning for the 2025-2026 school year.

We have decided **NOT** to continue providing school supplies for our client families. Instead, we are supporting the “**BACK TO SCHOOL BASH**” to be held on Saturday, August 2, 2025 at Harvey High School. We will be donating school supplies to the Salvation Army in Painesville to help the cause.

We will be sending our client families (via text), a flyer advertising the event. You may also stop in at The Perry Center and pick up a flyer.

HOURS OF SERVICE AT THE PERRY CENTER:

Tuesdays from 9:00 am to 12:00 noon

Fridays from 1:00 to 4:00 pm

If these times are not good for you, please call and we will set up an appointment at a more convenient time. Call **440/259-3332** and if we are not there, please leave a message. You may also call Carole Martin on her cell phone: **440/897-2574**.

If you are not a client, but need assistance, please call and we will sign you up and arrange for assistance. **If you live in Perry, work in Perry and/or worship in Perry, you are eligible to apply.**

We cannot emphasize enough how much we appreciate all the donations we receive: money, food items and household goods. We also appreciate donations from your garden. So, if you have extras, please keep us in mind.

Brenda Carr and Carole Martin
Co-Administrators

THRIVING THREADS

Thriving Threads is a community driven, non-profit program offering **FREE** clothing for anyone in need or looking. Thriving Threads is located at 4261 Manchester Road (located in the back Northwest corner). **Regular hours are Tuesdays from 9:00am - 12:00pm and Fridays from 1:00pm to 4:00pm.** On Thursdays for the month of July through August 7th, we will be open from 1:00pm to 4:00pm thanks to an exciting partnership with Arizona College of Nursing (in Beachwood).

Thriving Threads has a brown donation bin located at the end of the entrance ramp for gently used clothing or sportswear. The drop-off bin is **always** open for donations. We are in desperate need of men's and children's clothing.

Please contact us at Thrivingthreadsinperry@gmail.com if you are interested in volunteering, have questions or need a different time to come in and browse.

Samantha Ferrell

PERRY JOINT FIRE DISTRICT

Summer is finally here!

We hope everyone is enjoying the sunshine even if we've had more than our fair share of rain and heat lately! As the season continues, our firefighters will be out inspecting and flowing hydrants throughout the community. If you have a fire hydrant on your property, please help us keep it accessible. A 3-foot clearance is required around the hydrant, free from bushes, fences, or other landscaping. Do not paint fire hydrants we color code them to provide vital information for emergency operations.

Join us on Saturday, September 6th from 11:00 a.m. to 9:00 p.m. at Lee Lydic Park for the annual Fall Festival! Our fire trucks and equipment will be on display, and firefighters will be on hand to answer questions and engage with the community. We'd love to see you there!

We're proud to recognize several members of the Perry Joint Fire District who have recently reached major career milestones:

Retirements

- Executive Captain Timothy Sitz - 24 years of service
- Lieutenant David Thorne - 24 years of service
- Firefighter/Paramedic Matthew Wollerman - 30 years of service
- Firefighter/Paramedic Alan Doyle - 27 years of service

We thank them for their years of dedication and wish them all the best in retirement!

Congratulations

Congratulations to the following members on their promotions to Full-Time Firefighters:

- FF/Paramedic Jon Smith
- FF/Paramedic Gavin Genzen
- FF/Paramedic Jack Bateman

Enjoy the Rest of Your Summer!

Please stay safe and remember we're here if you need us. If you have any questions or concerns, feel free to contact me directly - Monday through Friday from 7:30 a.m. to 4:30 p.m. at 440-259-2880, or email dchiappone@perryfire.info. Be sure to visit our newly updated website at www.perryfire-lake.com for news, resources, and upcoming events.

Perry Village, Township, and JEDD Collaborate on Promising Data Center Development

PERRY VILLAGE — Perry Village, Perry Township, and the Perry Joint Economic Development District (JEDD) are working closely together on a proposed data center project that could transform the long-unused Champion Farm property into a high-tech economic engine for the region.

After sitting idle for over 30 years, the proposed development offers significant financial benefits for residents, schools, and local governments—all while preserving the community's rural character and quality of life.

A Cooperative Approach to Economic Growth

Champion Farm, once a thriving nursery business, has been unused for more than three decades despite repeated efforts to attract new development. While listed for sale, the property recently drew interest from a data center developer, prompting local leaders to evaluate this new opportunity collaboratively.

Officials from Perry Village, Perry Township, and the JEDD have joined forces to explore the project's potential. Together, they're working to ensure the development meets strict standards for design, noise, lighting, and environmental impact while delivering strong economic returns.

"This is truly a team effort," Village officials said. "Perry Village, the Township, and the JEDD are committed to creating a project that benefits the entire community."

Sound and Lighting: Preserving Peace and Night Skies

Residents often worry about noise and light pollution from large developments. Village officials emphasize that modern data centers are much quieter than traditional industrial facilities. The proposed facility will include noise-reducing technology and will operate well within newly established sound limits designed to protect nearby neighborhoods, businesses, and the adjacent cemetery.

Village leaders visited New Albany, Ohio — home to many data centers — where they measured sound levels and spoke with residents living near these facilities. The consensus: modern data centers operate quietly and blend seamlessly into the community.

Lighting is also tightly regulated. Perry Village has adopted "Night Sky" standards requiring all exterior lighting to be shielded and directed downward, eliminating glare and preserving the community's rural feel. There will be no stadium-style lights on the property.

Responsible Water Usage and Infrastructure

Water usage is another important concern for the community. The proposed data center will connect to Lake County's water system and will not rely on groundwater wells. Officials assure residents that the facility's water use will fit within existing allocations and will not cause reductions in water pressure.

Modern data centers use significantly less water than older designs thanks to advanced cooling technologies. Many developers also participate in water-restoration initiatives to protect local resources.

Residents should not expect issues like low water pressure. In fact, infrastructure improvements linked to the project could enhance service reliability for nearby homes and businesses.

Power Supply: No Impact on Local Reliability

Another key question from residents is whether the data center will cause power shortages or more frequent outages. Village officials emphasize that the data center will connect directly to the high-voltage transmission lines already running through the Champion Farm property.

The power supply for the data center will come from the regional transmission grid—not from the lower-voltage distribution lines that serve homes and businesses. There will be no loss of power or increased outages for local residents. First Energy, the regional power provider, has confirmed that the data center can be served without affecting residential electric service.

In other communities in Ohio, like New Albany, data centers operate from dedicated power lines and have not led to higher residential rates or disruptions in service.

Traffic Kept Off Village Streets

Unlike traditional industrial developments, data centers generate minimal traffic. Village officials note that the proposed facility would produce only about one-fifth of the traffic typically associated with industrial sites. All construction and operational traffic will access the property directly from Route 20, ensuring heavy vehicles stay off Village streets.

Substantial Benefits for Schools, Residents, and Local Governments

Financially, the project represents a significant opportunity for Perry Village and the surrounding community:

- Data centers bring major capital investment and new tax revenues.
- They generate real estate taxes, payroll taxes, and income taxes, strengthening local finances and reducing reliance on any single taxpayer.
- Between 2017 and 2021, data centers in Ohio contributed over \$2.6 billion in state and local tax revenues.

Perry Local School District stands to gain considerable new revenue from the data center development. Beyond financial support, the project also brings potential community investment and partnership opportunities, allowing the district to benefit from increased resources and support for local programs and infrastructure.

Local Job Creation

Construction of the data center will bring high-quality jobs to the region, employing local contractors, electricians, engineers, and inspectors. Once operational, the center is expected to provide approximately 175 permanent positions, with salaries ranging from \$50,000 to \$200,000 annually.

In addition, the facility will support about 700 indirect jobs in the region across services, maintenance, technology, and related industries.

Infrastructure Improvements for the Community

Data centers require advanced technology infrastructure, including high-speed fiber networks and reliable electrical systems. Communities like New Albany, Ohio, have experienced significant upgrades from such projects, benefitting both businesses and residents with faster internet speeds and stronger utility services.

Perry Village officials believe similar improvements could come to Perry, enhancing services for residents.

Commitment to Transparency and Public Engagement

Perry Village, Perry Township, and the JEDD have hosted numerous public meetings and presentations about the project, involving stakeholders such as the Village Council, Planning Commission, Township Trustees, Perry School District, and the JEDD Board. All parties remain dedicated to a transparent process and ensuring residents have ample opportunity for input.

"This is a significant decision for our community's future," officials said. "By working together, Perry Village, Perry Township, and the JEDD are focused on making sure this project benefits everyone."

A Transformative Opportunity

The proposed data center represents the first viable plan for the Champion Farm property in more than three decades. Local leaders believe it offers a unique chance to bring new jobs, modern infrastructure, and financial security to the region—all while protecting the peaceful, small-town character of Perry Village. Public discussions will continue as the project advances through planning and review stages. We have a Town Hall Meeting scheduled for **Thursday, July 24th at 6 pm** at the Perry Community Center, 2800 Perry Park Road, Perry, OH 44081.

PERRY TOWNSHIP PARK

Summer is finally here! Things are bright and sunny at Perry Township Park. People are visiting regularly for picnics, meetings, family gatherings and just watching their kids play in the playground. Softball has been in full swing and the pickle ball courts are being well utilized. Folks are also bringing corn hole and playing with friends and family. The pavilion has been regularly used for birthday parties, graduations, clubs, family reunions, people enjoying a game of cards, and families just wanting to enjoy a picnic by the lake.

Our loyal local campers are here and we have traveling campers coming in from near and far. So far this year, the campers traveling the greatest distance are a couple from New Zealand who stopped in last week on their way to Buffalo.

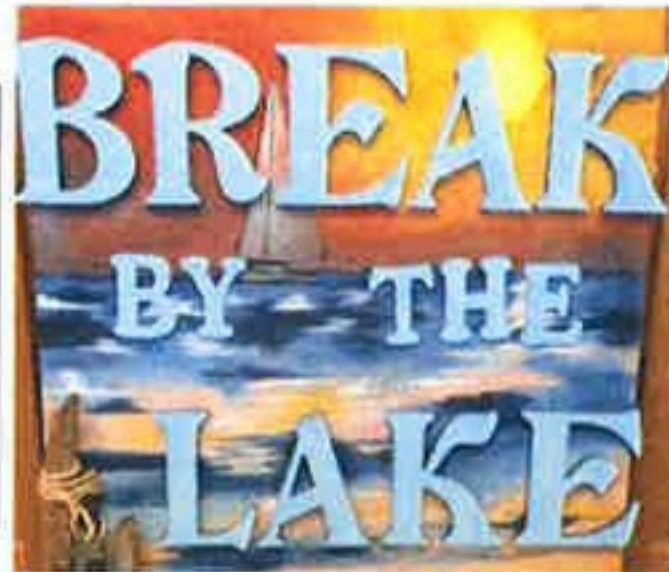

Speaking of loyal local campers, we'd like to acknowledge a couple of our camper families for donations of their time and plants. Thank you Annette and Tom McGonnell along with Mike Hall and Melanie Torres for helping to maintain the beauty of our park including the flower garden around the park entrance sign.

That's a wrap for now. Please bring a blanket or chair and join us on the lawn for the concerts starting on Wednesday July 9th and the following six Wednesdays. Music starts at 7 and runs until 9. See y'all soon.

PERRY VILLAGE PITCH IN

PITCH IN is growing! Perry Village, Perry Township and North Perry are now all members and supporters of our community wide PITCH IN program. This means that residents of all 3 Perry communities are eligible for PITCH IN services.

PITCH IN stands for "Perry Investing Toward Community Help" We provide services if you are unable to complete jobs inside or outside of your home due to temporary health, financial or other issues. Our volunteers are here to help! We have walked dogs, shoveled snow, washed windows, weeded, raked leaves and cut lots of grass! If you need assistance, please pick up an application at Perry Village Hall, Perry Township office or the North Perry office during normal business hours. Applications are also available online at the Village website: perryvillageohio.com

Because we have expanded our territory, we need to expand our volunteer base! We are always looking for service minded people to join our team of volunteers especially if you have any special talents or skills. A couple hours of your time can change a person's life! Volunteer applications are also available at the above locations and at perryvillageohio.com.

Please reach out and take advantage of this wonderful free service offered to you by our community leaders and volunteers. PITCH IN will help you get the job done!

PERRY SENIOR CENTER

We would like to welcome our new Senior Center Director **Tina Witt**. Tina is a Nationally Certified Activities Director with over 25 years of experience in senior services, activity and event planning, organizational improvement and business development. She started her career as an Activities Assistant at an Adult Day Center in 1998. After becoming the Manager of the Center in 2004, Tina was the Project Manager for the start up of two additional Adult Day Programs and then the Director of Operations for all three. In 2019 she was promoted to Director of Home and Community Cased Services where she managed Home Health Care, Ambulance and transportation services in addition to the Adult Day Program. Tina has a passion for ensuring seniors have access to services and an enhanced quality of life through activities, socialization and community involvement.

Tina is excited to be the new Director of the Perry Senior Center and looks forward to collaborating with the members to provide effective programming, enhance activities and expand services. In her free time, Tina appreciates spending time with her family most. She enjoys being outdoors, especially camping, fishing, gardening and hiking. Tina is an avid sports fan and a dedicated Browns fan.

Welcome Tina, we cannot wait to embark on this new journey with you.

THE PERRY WOMEN'S LEAGUE

The Perry Women's League Annual Bunny Lunch was held on Saturday, April 12th at the Perry Senior Center. With the help of the Perry Township Admin Office - we were again fortunate to have sold all 300 tickets prior to the event! We appreciate their assistance with this task! The weather was chilly, but that didn't stop the children from hunting eggs, petting

Oreo the live bunny (courtesy of Tinsley Zavilla), crafting, face painting, laughing at Mr. CJ (Travis Mettler), having a picture taken with our own Easter Bunny, and trying to win a basket from the amazing 45 basket Chinese Auction! A *special thank you* to **Prestige Carpet & Flooring** for providing pizza and cotton candy, **The Buser Foundation** for sponsoring the Egg Hunt, the **Perry Middle School 8th Grade We Design It Class** for the building of our new Lollipop Tree and the assistance from the **Perry Service-Learning Class of 2025** at our event! We would also like to extend a thank you to all other businesses and community members who donated items and/or their time to help make Easter just a bit more special for so many! Save the date for next year – Saturday, March 28, 2026!

Community Green Day took place on Saturday, April 26th. This event was organized by the 2025 Perry High School Service-Learning Class. This event is held annually on the 4th Saturday of April and focuses on cleaning up public areas, recycling, working in the Giving Garden and helping Senior Citizens who need assistance with spring yard clean-up. The PWL supported this event this year by coordinating a grab and go breakfast for the volunteers and assembling a few teams to clean up yards for the less able. Save the date for next year's event, Saturday, April 25, 2026, and plan to get your family involved in keeping our community clean and helping others in need of assistance!

Each year the PWL offers a **\$500 Citizenship scholarship** to two Perry High School graduating seniors seeking post-secondary education who display exemplary citizenship through community service. This year we were fortunate to award our scholarships to Seniors **Holly Vis** and **Elise Strahan**. The scholarships were awarded at the PHS Scholarship Night on Wednesday, May 14th. *Congratulations and good luck* to all the 2025 high school graduates!

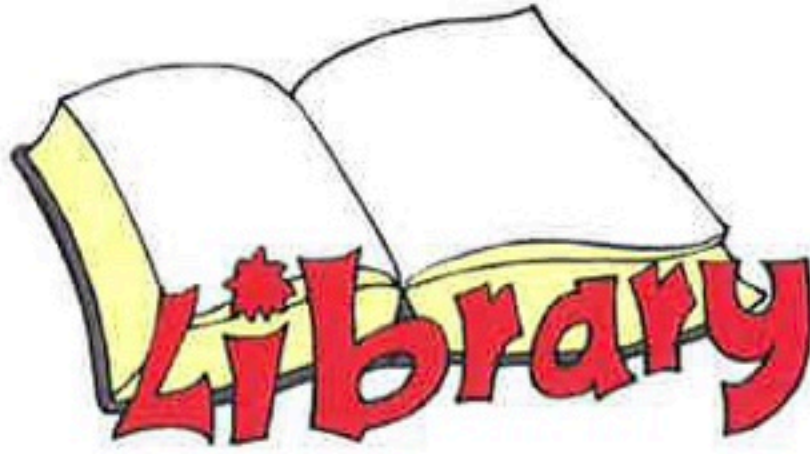

The PWL will once again be hosting the “**Daisy Drop**” at the **Perry Fall Festival**, taking place on Saturday, September 6th. Daisy will visit late that afternoon to provide her ceremonial “drop”. Starting in August, tickets will be on sale for \$20 each with a chance to win up to \$1,000. If you are interested in purchasing a Daisy Drop ticket, please contact a PWL member, send us an email (perrywomensleague@hotmail.com) or message us on Facebook (*Perry Women's League*).

We welcome anyone looking for a way to give back to our community, to contact us to learn more, or join us at one of our next meetings Sunday, July 13 (time/location TBA) and Thursday, October 2nd (6:30 p.m. at the Perry Public Library). Please visit us on Facebook (*Perry Women's League*) or at our website: www.perry-lake.org/community-groups/perry-womens-league.

PERRY PUBLIC LIBRARY

Reading Colors Our World Summer Reading Program, began June 1st and ends August 2nd. Join us this summer to explore the many ways art and literature help enhance our lives.

Children, Teens, and Adults can stop in and earn tickets for a chance to win a prize. Tickets must be turned in by August 2nd to qualify.

We are hosting a Community Art Show and Reception on Thursday, July 31st from 5-7pm in memory of our former Board of Trustees President Larry Reichard. Those participating can drop off their work or works of art at the library July 19th through July 26th. Any medium of art may be displayed, but ALL artwork MUST be library appropriate. All artwork will be put on display on July 31st from 5-7pm for a gallery walkthrough. Food and drink will be available at the reception. Participants can pick up their art on Monday August 4th.

Our annual book sale will begin on Saturday August 2nd from 9am to 4pm. Our Friends of the Library preview will be held on Thursday July 31st from 5 to 8pm.

Local chef and food truck owner, Lee Negrelli, will discuss eating vegan and demonstrate how to cook a plant-based recipe on Monday July 21st at 7pm. Registration required.

Our August Community Swap is a Crop Swap. On Tuesday August 5th from 5-7pm, bring fruits or vegetables from your garden to share. No buying or selling allowed.

Drop in on Monday August 11th from 10am to 12pm for our Senior Social. This event is for adults ages 60 and over. Meet up with friends in the cafe to chat and enjoy coffee and treats.

We will be celebrating the end of summer with Library on the Lawn! Join us August 12th from 5 to 7pm on our front lawn for games, treats, and music. Bring a blanket or chairs and a picnic dinner. Kona Ice and Froyo Trucks will be in the parking lot with treats available for purchase.

Inspired by the 'Reading Colors Our World' theme for Summer Reading, we invite our patrons to come collaborate on a Keith Haring Inspired Community Mural on Saturday August 16th from 1 to 2:30pm. Haring is known for dynamic, graffiti-inspired art using simple, iconic imagery. It is a celebration of the power of art to bring people together.

Reminder: If you are unable to make it to a program after you have already registered, please call us at 440-259-3300 so that someone else may have the chance to attend. Thank you!

Visit perrypubliclibrary.org or call 440-259-3300 to register for programs!
