

GOVERNMENT OF TOWNSHIP

Your Township government consists of three Trustees and a Fiscal Officer, all of whom are elected for four year terms. Their terms are staggered so that every two years either one Trustee and the Fiscal Officer or two Trustees are up for election.

The Board of Township Trustees is the overall governing body for Perry Township. It decides issues of Township policy and is responsible for all expenditures of Township funds. It also appoints the Township's Zoning officials and hires Township employees.

The authority of Township Government is limited to only those specific duties which are delegated by State law, i.e. the Ohio Revised Code. Unlike cities and villages, Townships do not have the authority to pass laws or to pay for such basic services as water and sewers.

Many of the services commonly associated with local government are actually under the legal jurisdiction of the County and State governments. These include water

and sewer, dog control, maintenance of County and State highways, environmental protection and public health.

Although they have no direct legal authority over these services, Township officials can act as community spokespersons, while bringing local problems to the attention of County, State or Federal officials and thereby assist with solutions for such problems. Your Township officials are always available to assist you with problems dealing with the Township, County, State and even Federal governments.

Regular Trustees' meetings are held at 7:00 pm on the second Tuesday of each month and at 10:00 am on the fourth Tuesday of each month at the Township Administration Building located at 3740 Center Road. Office hours are from 8:00 am to 12:00 noon and 1:00 pm to 5:00 pm on weekdays. Telephone number is 440-259-5140; e-mail is perrytw@ncweb.com; website is www.perrytownship-lake.com.

Rick Amos, Trustee since 2004

Rick lives at 4575 White Angel Drive. He has four adult children, all of whom attended Perry Schools, and six grandchildren – Jimmy, Justin, Jack, Ava, Phoebe and Caden. Rick is a 1968 graduate of Perry High School, serving as Class President all four years. He is also a 1972 graduate of Bowling Green State University.

Rick owns a life/health insurance agency and is active in many organizations. Prior to becoming a Township Trustee, he served for 14 years on the Perry School Board. Currently, Rick serves as chairman of the Perry Economic Development Council and board chairman of the Perry Area Joint Recreation District. He is also director emeritus of the Perry Alumni Association. Rick is a past recipient of the Madison-Perry Chamber of Commerce Community Service Award and was a 2014 inductee into the Perry High School Distinguished Alumni Hall of Fame.

Bob Dawson, Trustee since 2014

Bob Dawson lives at 5475 Canyon Ridge Drive with his wife, Dawn. Bob has three adult children and five grandchildren. He is a lifelong Perry resident, a graduate of Perry High School and a graduate of Lakeland Community College where he is a member of the Alumni Hall of Fame.

Bob is employed as the Executive Director for the Lake County Workforce Development Board. Prior to working for Lake County, Bob worked for the RW Sidley Company in Painesville where he last served as President of their Construction Materials Group.

Bob has an extensive background in public and community service. Bob served for over seventeen years on the Lake County Board of Education including 11 years as President. He has been affiliated with the Lake County Fair for forty-one years and served as Fair Board President for twelve consecutive years. He is a lifetime member of the Perry Alumni Association and a member of the Perry High School Distinguished Alumni Hall of Fame. In addition to his trustee duties, Bob is Chairman of Perry's Joint Economic Development District and Chairman of the Perry Joint Fire District.

Nancy Steele, Trustee since 2006

Nancy Steele lives at 4405 Casa Bella Drive with her husband, Tim. She has two children – Tim Steele and the late Julie Collins (husband, Marc Collins) and two grandchildren, Courtney and Nicklaus. Nancy has been a lifelong Perry resident and attended Perry Schools (class of 1972).

She retired from the Lake County Board of Elections after 25 years. Nancy is a member of St. Cyprian's Church, Perry High School Alumni Association, Ohio Township Association and Lake County Township Association, Perry Historical Society, Lake County Democratic Women's Club, Ohio Cemetery Association and Eastern Lake County Chamber of Commerce.

Christine J. Page, Fiscal Officer since 1992

The Fiscal Officer is responsible for minutes, Township records, accounts receivable and payable, investments, payroll, systems management and maintenance.

Chris and her husband, Mark Estvanko, have one daughter, Sarah. Mark also has three children - Richard (Rachael), Amy (Shane) and Sherri (Anthony). Mark and Chris have eight grandchildren - Alexia, Alia, Alex, Hailey, Tyler, Joshua, Logan and Kylie.

Chris has been a resident of Perry Township since 1985. Since graduating from Eastlake North High School in 1979, she received her Paralegal Certificate through Lakeland Community and Dyke Colleges in 1992. A legal secretary since 1981 and a Paralegal since 1989, Chris has been employed with the Domestic Relations Court and in both private practice law firms and on a freelance basis. Chris' areas of practice have included general legal work, probate and medical malpractice. She is past President of the Lake County Township Association and a member of the Ohio Township Association, Ohio Association of Public Treasurers, Ohio Library Council, Lake County Democratic Women's Club, Government Finance Officers Association and Western Reserve Junior Service League. Chris is also the Township's webmaster for Perry Township's web page - www.perrytownship-lake.com and is the owner of The Wicked Sugar Cake Studio in Perry.

Chris' public service has included: Perry Township Fiscal Officer since 1992, Perry Public Library Fiscal Officer since 2005, Lake County Domestic Relations Court (1987-1989), Lake County Children's Cluster (1994) and Notary Public.

Karen Sundry, Perry Township Administrator

Karen Sundry lives at 3551 Main Street with her husband Rich and their two children, Justin and Julia. Karen is a lifelong resident of Perry, a graduate of Perry High School (1988) and a graduate of The Ohio State University (1992) with a Bachelor of Science in Business Administration.

Karen has been with the Township since 2005 serving as assistant to the Administrator and Economic Development Director. In 2018 she was appointed as Administrator and continues as Economic Development Assistant.

Karen is a 2017 graduate of Leadership Lake County and the Ohio Township Association Leadership Academy in 2018. She is an active member of the Eastern Lake County Chamber of Commerce, the Lake County Chamber of Commerce, the Perry High School Alumni Association and the Perry Band Boosters. Karen is also a member of the Lake County Township Association.

Perry Village

Perry Village, at one time a part of Perry Township, was formed in 1913 by a petition of the people which specified E.M. Orcutt and J.F. Brown as spokesmen for the proposed incorporation. The petition was signed by eighty electors from the territory which included two square miles in the described village limits with an approximate population of 500. The 2014 census shows 1625 people within its corporation limits.

Both Perry Village and North Perry Village are governed by a mayor, six council members and a Fiscal Officer. Mayor and Council are elected to four-year terms by their residents. Village Fiscal Officers are appointed.

North Perry Village

North Perry Village, at one time also a part of Perry Township, fronts on the shores of Lake Erie and consists of approximately 4 square miles with 891 residents reported in the 2014 census. The village was formed by petition on July 18, 1925. Spokesmen on that petition were shown to be John A. Brack and William G. Seith, and stated that the proposed village limits, at that time, contained 430 people.

PERRY JOINT FIRE DISTRICT

The Perry Joint Fire District currently has two station locations—3742 Center Road in Perry Village and 3870 South Ridge Road in Perry Township. The Fire Department covers an area of 29.5 square miles and serves Perry Township, Perry Village and North Perry Village.

An all-volunteer fire department was organized in 1916 by Perry Village Council, who informed the Perry Township Board of Trustees that unless the Trustees agreed to help compensate the firemen, they would not answer any calls outside the Perry Village limits (2 square miles). The Township refused and consequently a prominent resident's barn burned to the ground because the Village Fire Department wouldn't answer the call. Realizing the importance of fire protection, the Trustees bought their own firefighting equipment, formed their own fire department and hired the village firemen to operate it. The same firemen served both departments with fire equipment housed in the Perry Village Hall, then located on Harper Street. Since neither department was able to fund the needed equipment on their own, they merged to form the Perry Township Fire Department in 1939 and the Township of Perry took over operation of the fire department. Operational funds were supplied by all three communities. The first volunteer Fire Chief was Roy Sweet.

In 1979, Perry Fire became a full-time department and the first full-time Fire Chief, Stephen R. Sitz, was hired by the Township Trustees. In 1995, Robert Bates became Fire Chief and in 2002, he was succeeded by James McDonald who currently serves to this day. The Perry Fire District also employs one full-time secretary and one Fiscal Officer.

In late 2002, Perry Township joined with Perry Village and North Perry Village to form the Perry Joint Fire District, which makes the Fire Department a separate government entity administered by appointees from all three communities.

Currently, 25 full-time firefighters and 11 part-time firefighters are employed. Ranking officers are the Chief, an Executive Captain and six Lieutenants.

Services of the Perry Joint Fire District are available twenty-four hours a day, every day of the year. Office hours are from 8:00 a.m. to 5:00 p.m. weekdays. The non-emergency telephone number is 259-2880. For all emergencies, dial 911.

PERRY LOCAL SCHOOLS

The Perry Local School District focuses on providing all students with a quality education that enables them to achieve personal excellence, pursue world-class standards and become self-directed lifelong learners. The District has achieved the "Excellent" rating from the Ohio Department of Education based on student achievements. The high school and middle school have been recognized nationally by the U.S. Department of Education as Blue Ribbon Schools.

The District's Community Education Village of approximately 1900 students consistently ranks among the best in the northeast Ohio area on the Ohio Achievement Assessments, standardized achievement tests and college entrance exams. More than 85% of Perry High School graduates continue their education with college or technical training. With high expectations for each student, the schools address the academic needs of all students. The high school provides Advanced Placement courses for college credit.

The school campus setting links all the school buildings and offers programs to benefit and enrich students and the communities alike. These include a Community Fitness Center with an indoor pool, exercise and aerobic areas and the field house which are all available to families and community members.

ROAD SYSTEMS

The roads in Perry Township belong to four different categories:

1. State and Federal routes are designated by the Federal Government and are maintained by the Ohio State Department of Transportation, i.e. State Route 20 (aka North Ridge Road) and State Route 84 (aka South Ridge Road).

2. County roads are designated by the County Commissioners and are maintained by the Lake County Engineer's Department.

County Roads in Perry Township include:

Blackmore Road	Lane Road	Perry Park Road
Blair Road	Madison Avenue	River Road
Call Road	Middle Ridge Road	Townline Road
Center Road	Narrows Road	Turney Road
Davis Road	Parmlly Road	Webb Road
Hale Road		

3. "Excepted" Township roads have been brought up to the County Engineer's standards, at which time the County Commissioners relinquish control to the Township. These roads are maintained by individual Townships, i.e. all subdivision roads.

4. Private roads or accessways on private property which have not been dedicated as public roadways; these include mobile home parks and private driveways.

TOWNSHIP CEMETERIES

Perry Township maintains two cemeteries: Center Road and South Ridge/Lane Road. Center Road Cemetery, located at Center and Middle Ridge Roads, is the Township's newer cemetery – burying approximately 100 persons per year. In 2000, the Township Trustees doubled the size of the cemetery with the purchase of 25 acres of adjoining land which will provide for future expansion and should serve the Community well into the twenty-first century.

Township records show the earliest burials to be Hannah Stockwell (1811), Lucy Farrar (1815) and Ezra Beebe (1813). One of the more famous burials at Center Road Cemetery are the remains of Indian Princess Mona Cline who died in September 1986. Mohoneall Anpawcheekawpawqua (Rose of the Morning Sun), the granddaughter of Cleveland's famous Chief Thunderwater, was born in 1911. She was a descendant of the Algonquin and Sioux nations and married Perry resident Ausburn Cline.

Gravesites are available for residents and non-residents. Center Road Cemetery has three 32-niche columbariums with space available for inurnment of cremains. The columbariums are located at the south end of the cemetery. To reach the Cemetery Sexton please contact the Township Office at 440-259-5140.

ZONING DEPARTMENT

Proposed zoning was put on the ballot in 1953 and turned down by Township residents. The PTA, in 1955, asked to resubmit the proposal to the people. Township Trustees H. Russell Adams, Jim Shook and Norman Pratt appointed a Zoning Commission of five members: Russ Champion, Ed Lawrence, Clyde Miller, Sterling Averill and Frank Daykin who also served as secretary.

This Commission prepared a zoning map and regulations which were submitted to the residents and, this time, approved. Many hours have been donated by concerned citizens in helping to form our Community. The Township Trustees now appoint the members of both zoning boards to five year terms, which are staggered so that one member is up for appointment each year.

The Zoning Resolution book and map are available for review and purchase at the Township Administration office for a nominal fee. They can also be accessed online at www.perrytownship-lake.com listed under departments.

For zoning information and/or questions please contact the Township Office (440-259-5140).

The Board of Zoning Appeals

The Board must consider questions of Zoning Resolution interpretation, Variances and Conditional Use Permits. All decisions of the Board of Zoning Appeals require a public hearing. Notices must be published in the newspaper and are posted at Perry Village Hall, Perry Post Office, Perry Public Library and Perry Township offices.

PERRY COMMUNITY & SENIOR CENTER

Located at 2800 Perry Park Road, the Community/Senior Center was constructed in 2005 and occupies property formerly owned by Mr. William Lorimer. The building features a huge community room that measures 50' x 150', a roomy kitchen with all the necessary appliances and a covered patio with a beautiful unobstructed view of Lake Erie.

A baseball park is located adjacent to the Community Center grounds. Numerous baseball and softball games and tournaments are scheduled by the Perry Area Joint Recreation District and played throughout spring and summer utilizing Township Park's and Community Center fields.

The Community Center is home to the Seniors Program which has scheduled hours on Monday, Tuesdays, Wednesdays and Fridays from 8:30 am to 3:30 pm and on Thursdays from 8:30 am to 1:00 pm. A Senior Wing has been added specifically for their programming use. For information on the Seniors Program, please call 440-259-3772.

Residents and non-residents are able to rent the Community Center for events. Many weddings, parties, anniversaries, reunions and other functions have taken place at the Community Center. For more information on renting the facility, please call the Township Office at 440-259-5140.

PERRY TOWNSHIP HISTORY

Perry Township, consisting of 23.4 square miles, was formally organized by vote of the people on July 1, 1815. It was named for Commodore Oliver H. Perry, hero of the War of 1812. It was one of four Townships selected by the Connecticut Land Company, before the lands of the "Reserve" were drawn up and was described as No. 11 in the seventh range of the original Connecticut Western Reserve.

Once swampy and full of tamarack stumps, the Perry area is now a well-drained area that gently rolls and slopes gradually to Lake Erie. The southern portion of the area slopes more sharply and, at some points, drops in sheer cliffs into the Grand River Valley which forms the southern boundary of Perry Township.

Perry history reports the first probable settler to be Ezra Beebe, who settled near the Grand River in 1808. He died in the spring of 1813. The first term of school in Perry Township was taught in a log cabin located on South Ridge Road (SR 84) in the summer of 1815. In the winter of 1815, prayer meetings were held in this log cabin

PERRY TOWNSHIP HALL

The Perry Township Hall, located at the corner of Center Road and Main Street in Perry Village, is maintained and managed by the Township's Board of Trustees and has been entered into the Lake County Historical Society's Heritage Register. "Town Hall" now houses the Perry Historical Museum which opened to the public in 1997.

The one-story brick building, with its arch shaped doors and windows, fits the architectural design of the neighboring Perry Methodist Church built in 1873 by Charles Searl, a native of Perry. Town Hall was completed in 1875 with records indicating Searl as its builder. Board minutes note that when an attempt was made by the Township Board of Trustees to sell the Hall in 1944, it met with stiff opposition from Perry community groups. The Trustees rescinded that decision and instead, turned the management of the Hall over to the Perry Chapter of Blue Star Mothers. In 1960, the Perry American Legion Post 697 assumed management of the Hall until 1988 when the Trustees once again assumed full responsibility. The Hall remains a sturdy structure with many improvements made by the Township over the years.

PERRY PUBLIC LIBRARY

The Perry Public Library was founded in 1929 by members of seven local women's service clubs. The Library has continued to grow in both facility and collection to better serve the residents of Perry Village, Perry Township, and North Perry Village. In 1991, the Library was renovated and added significant square footage to accommodate a large story time room, conference room, a cafe space, and additional shelving. In 2017, the Library, using existing space and resources, added a new teen room with gaming and computers, a playroom for small children and caregivers off the children's room, and a new small meeting room.

The Perry Public Library is an Association Library. The Lifetime Association Membership is \$1.00 for any adult Perry resident and the members elect the Board of Trustees at the annual meeting in October.

The Library is a member of the CLEUNET consortium, a network of over 40 libraries across Northeast Ohio,

PERRY AREA JOINT RECREATION DISTRICT

The Recreation District was formed in 2006 and is the parent organization for Perry's Youth and Senior Recreation Programs. Perry Area Joint Recreation District is overseen and governed by a Board of Directors consisting of one representative from Perry Township, one representative from Perry Village, one representative from North Perry Village and two representatives from the Perry School District. The members of the Board of Directors are all appointed by the entities they represent.

The Youth Program is dedicated to the development of well-rounded young people through positive activities and competitions. Emphasis is placed on developing fundamental skills and good sportsmanship through active participation by participants, coaches and parents. The

Youth Program is administered by the Director and Assistant Director who report to the Recreation District's Board of Directors. For more information on youth programs, please call 440-259-9705.

The Senior program is dedicated to providing effective programs to ensure social connections that enhance the quality of life for those individuals 55 and older. Emphasis is placed on mental and physical health programs, advocacy information, educational programs and personal enrichment opportunities.

The Senior Program is administered by the Director and Assistant Director who report to the District's Board of Directors. For more information on senior programs, please call 440-259-3772.

PERRY TOWNSHIP PARK

Perry Township Park, on the shores of Lake Erie, consists of over 50 acres of land that can be accessed by traveling north on Perry Park Road from its intersection with State Route 20. In 2002, the Trustees acquired historic Camp Roosevelt consisting of 24 acres adjacent to Perry Township Park.

Township Park facilities include a concession stand which operates from Memorial Day to Labor Day, restrooms and shower facilities that accommodate the physically challenged, picnic tables, outdoor grills, a

sheltered picnic pavilion, children's playground, ball diamonds with bleachers, tennis courts, pickle ball courts and a basketball court.

Camping space is available by contacting the Park Manager who resides on the premises. Boat ramp permits are restricted to Perry residents or campers. Information may be obtained by contacting the Park Manager at 259-5957 or the Township Trustees office at 259-5140.
